

## Duckmanton Primary School - Art Progression of skills

This document outlines how we will cover all of the relevant Art knowledge and skills across our school. All children will be given the opportunity to explore the work of a range of great artists, architects and designers and understand the historical and cultural development of their art forms. They will also learn to evaluate and analyse creative works using the language of art, craft and design.

Year Group	Exploring Ideas	Drawing	Digital Media	3D Design	Painting	Printing	Textiles	Collage	Work of Artists *Used as a focus for Calendars in Aut 2
Early Years	<ul style="list-style-type: none"> <li>To construct with a purpose in mind, using a variety of resources.</li> <li>To use simple tools and techniques competently and appropriately.</li> <li>To select the appropriate resources and adapt work where necessary.</li> <li>To use what they have learnt about media and materials in original ways, thinking about uses and purposes.</li> </ul>	<ul style="list-style-type: none"> <li>To create simple representations of events, people and objects.</li> </ul>	<ul style="list-style-type: none"> <li>To represent their own ideas, thoughts and feelings.</li> </ul>	<ul style="list-style-type: none"> <li>To manipulate materials to achieve a planned effect.</li> <li>To select tools and techniques needed to shape, assemble and join materials they are using</li> <li>To represent their own ideas, thoughts and feelings.</li> </ul>	<ul style="list-style-type: none"> <li>To explore what happens when they mix colours.</li> <li>To choose particular colours to use for a purpose.</li> </ul>	<ul style="list-style-type: none"> <li>To print with a range of familiar objects.</li> </ul>	<ul style="list-style-type: none"> <li>To safely use and explore a variety of materials, tools and techniques, experimenting with colour, design, texture, form and function.</li> </ul>	<ul style="list-style-type: none"> <li>To experiment to create different textures.</li> <li>To understand that different media can be combined to create new effects.</li> </ul>	<p><b>Jackson Pollock</b></p> 
Year 1	<ul style="list-style-type: none"> <li>To record and explore ideas from first hand observations</li> <li>To ask and answer questions about starting points for their work</li> <li>To develop and share their ideas, try things out and make changes</li> <li>To describe the differences and similarities between different practices and disciplines, and making links to their own work.</li> <li>To think critically about their art and design work.</li> </ul>	<ul style="list-style-type: none"> <li>To experiment with and control marks made with different media: pencils, rubbers, crayons, pastels, felt tips, charcoal, ballpoints, chalks</li> <li>To draw lines and shapes from observations using different surfaces</li> <li>To invent lines and shapes in drawing</li> <li>To investigate tone by drawing light/dark lines, patterns and shapes</li> <li>To investigate pattern and texture by describing, naming, rubbing and copying</li> </ul>	<ul style="list-style-type: none"> <li>To explore ideas using digital sources i.e. internet, tablet</li> <li>To record visual information digitally</li> <li>To use a simple graphics package to create images and effects with lines, shapes, colour and texture</li> </ul>	<ul style="list-style-type: none"> <li>To manipulate malleable materials in a variety of ways i.e. rolling, joining and kneading</li> <li>To explore sculpture with a range of malleable media</li> <li>To work safely with materials and tools</li> <li>To experiment with constructing and joining recycled, natural and manmade materials</li> </ul>	<ul style="list-style-type: none"> <li>To use a variety of tools and techniques i.e. brush sizes and types</li> <li>To mix and match colours to artefacts and objects</li> <li>To work on different scales</li> <li>To experiment with tools and techniques e.g. layering, mixing</li> <li>To name and mix primary colours, shades and tones</li> <li>To create textured paint by adding material, i.e. sand or plaster</li> </ul>	<ul style="list-style-type: none"> <li>To print with a range of hard and soft materials e.g. corks, sponge, fruit and vegetables</li> <li>To take simple prints i.e. mono-printing</li> <li>To design and build repeating patterns and recognise pattern in the environment</li> <li>To create simple printing blocks for press print</li> <li>To experiment with overprinting motifs and colour</li> </ul>	<ul style="list-style-type: none"> <li>To choose fabrics/threads based on colour, texture and shape</li> <li>To cut and shape fabric using scissors/snips</li> <li>To apply shapes with glue or stitching</li> <li>To apply decoration using beads, buttons, feathers etc.</li> <li>To apply colour with printing, dipping, fabric crayons</li> <li>To create fabrics by weaving materials, i.e. grass through twigs</li> </ul>	<ul style="list-style-type: none"> <li>To create images from a variety of media e.g. photocopies, fabric, crepe paper, magazines etc.</li> <li>To collect, sort and group materials or different purposes in different ways/shapes, i.e. texture, colour</li> <li>To arrange and glue materials to different backgrounds</li> <li>To fold, crumple, tear and overlap papers</li> </ul>	<p><b>Piet Mondrian</b></p> 
Year 2	<ul style="list-style-type: none"> <li>To create sketch books to record their observations and use them to review and revisit ideas.</li> <li>To record and explore ideas from first hand observations, experience and imagination</li> </ul>	<ul style="list-style-type: none"> <li>To draw for a sustained periods of time.</li> <li>To use a sketchbook to collect and develop ideas from a range of sources</li> <li>To experiment with marks and lines with a wide range of</li> </ul>	<ul style="list-style-type: none"> <li>To explore ideas using digital sources i.e. internet, tablets</li> <li>To record, collect and store visual information digitally</li> <li>To present recorded visual images using software e.g. Photostory, PowerPoint</li> </ul>	<ul style="list-style-type: none"> <li>To plan, design and make models from observation or imagination.</li> <li>To develop skills in joining, extending and modelling clay.</li> <li>To use papier mache to create simple 3D effects</li> </ul>	<ul style="list-style-type: none"> <li>To experiment with different effects and textures including blocking in colour, washes, thickened paint creating textural effects, adding depth and distance.</li> </ul>	<ul style="list-style-type: none"> <li>To create printing blocks using relief or impressed method</li> <li>To develop print techniques i.e. mono-printing, block printing, relief or impressed method</li> <li>To create repeating patterns</li> </ul>	<ul style="list-style-type: none"> <li>To use a variety of techniques e.g. printing, dyeing, weaving and stitching to create different textural effects.</li> <li>To develop skills in stitching, cutting and joining</li> </ul>	<ul style="list-style-type: none"> <li>To experiment with a range of collage techniques such as tearing, overlapping and layering to create images and represent textures.</li> <li>To use collage as a means of collecting ideas and information and building up a</li> </ul>	<p><b>Giuseppe Arcimboldi</b></p> 
Year 3	<ul style="list-style-type: none"> <li>To create sketch books to record their observations and use them to review and revisit ideas.</li> <li>To record and explore ideas from first hand observations, experience and imagination</li> </ul>	<ul style="list-style-type: none"> <li>To draw for a sustained periods of time.</li> <li>To use a sketchbook to collect and develop ideas from a range of sources</li> <li>To experiment with marks and lines with a wide range of</li> </ul>	<ul style="list-style-type: none"> <li>To explore ideas using digital sources i.e. internet, tablets</li> <li>To record, collect and store visual information digitally</li> <li>To present recorded visual images using software e.g. Photostory, PowerPoint</li> </ul>	<ul style="list-style-type: none"> <li>To plan, design and make models from observation or imagination.</li> <li>To develop skills in joining, extending and modelling clay.</li> <li>To use papier mache to create simple 3D effects</li> </ul>	<ul style="list-style-type: none"> <li>To experiment with different effects and textures including blocking in colour, washes, thickened paint creating textural effects, adding depth and distance.</li> </ul>	<ul style="list-style-type: none"> <li>To create printing blocks using relief or impressed method</li> <li>To develop print techniques i.e. mono-printing, block printing, relief or impressed method</li> <li>To create repeating patterns</li> </ul>	<ul style="list-style-type: none"> <li>To use a variety of techniques e.g. printing, dyeing, weaving and stitching to create different textural effects.</li> <li>To develop skills in stitching, cutting and joining</li> </ul>	<ul style="list-style-type: none"> <li>To experiment with a range of collage techniques such as tearing, overlapping and layering to create images and represent textures.</li> <li>To use collage as a means of collecting ideas and information and building up a</li> </ul>	<p><b>Wassily Kandinsky</b></p> 

Year 4	<p>and ideas for different purposes</p> <ul style="list-style-type: none"> <li>• To question and make thoughtful observations about starting points and select ideas for use in their work, recording and annotating in sketchbooks.</li> <li>• To think critically about their art and design work.</li> </ul>	<p>implements e.g. charcoal, chalk, pencil, crayon, pens etc.</p> <ul style="list-style-type: none"> <li>• To experiment with different grades of pencil to achieve varied tone</li> <li>• To create texture and pattern in drawing with a range of implements, exploring scale and proportion</li> </ul>	<ul style="list-style-type: none"> <li>• To use a graphics package to create images and effects with lines, shapes, colours and textures to manipulate and create images.</li> </ul>	<ul style="list-style-type: none"> <li>• To experiment with constructing and joining recycled, natural and manmade materials.</li> <li>• To create textures and patterns in malleable materials including clay.</li> </ul>	<ul style="list-style-type: none"> <li>• To create different effects and textures with paint</li> <li>• To use language of and mix primary and secondary colours and use tints and shades</li> </ul>	<ul style="list-style-type: none"> <li>• To print with two colour overlays.</li> </ul>		visual vocabulary.	<p><b>Antoni Gaudi</b></p> 
Year 5	<ul style="list-style-type: none"> <li>• To create sketch books to record their observations and use to review and revisit ideas.</li> <li>• To record and explore ideas from first hand observations, experience and imagination and ideas for different purposes</li> <li>• To question and make thoughtful observations about starting points and select ideas for use in their work, recording and annotating in sketchbooks.</li> <li>• To think critically about their art and design work.</li> </ul>	<ul style="list-style-type: none"> <li>• To work on sustained, independent, detailed drawings.</li> <li>• To develop close observational skills</li> <li>• To use a sketchbook to collect and develop ideas.</li> <li>• To experiment with wet or dry media to make different marks, lines, patterns, textures and shapes within a drawing.</li> <li>• To use different techniques for different purposes i.e. shading, hatching, blending.</li> <li>• To develop drawing using tonal contrast and mixed media.</li> <li>• To begin to use simple perspective in their work i.e. by using single focal point on horizon</li> <li>• To begin to develop an awareness of composition, scale and proportion i.e. foreground, middle ground, background.</li> </ul>	<ul style="list-style-type: none"> <li>• To explore ideas using digital sources i.e. internet, tablets</li> <li>• To record, collect and store visual information digitally</li> <li>• To present recorded visual images using software e.g. Photostory, PowerPoint</li> <li>• To use a graphics package to import or create/manipulate images.</li> <li>• To create digital layered images from original ideas in sketchbooks</li> </ul>	<ul style="list-style-type: none"> <li>• To shape, form, model and construct from observation and imagination</li> <li>• To use recycled, natural and manmade materials to create sculptures</li> <li>• To plan a sculpture through drawing and other preparatory work</li> <li>• To develop skills in using modroc including slabs, coils, slips etc.</li> <li>• To produce patterns and textures in malleable materials.</li> </ul>	<ul style="list-style-type: none"> <li>• To develop a painting from a drawing.</li> <li>• To experiment with different media and materials for painting.</li> <li>• To create imaginative work from a variety of sources e.g. observational drawing, music, poetry.</li> <li>• To mix and match colours to create atmosphere and light effects</li> <li>• To identify, mix and use primary, secondary, complimentary and contrasting colours.</li> </ul>	<ul style="list-style-type: none"> <li>• To create printing blocks using sketchbook ideas</li> <li>• To develop techniques i.e. mono-printing, block printing, relief/impressed method</li> <li>• To experiment with overprinting motifs and colour</li> </ul>	<ul style="list-style-type: none"> <li>• To use fabrics to create 3D structures/</li> <li>• To experiment with a range of media to overlap and layer creating textures, effects and colours.</li> </ul>	<ul style="list-style-type: none"> <li>• To add collage to a printed or painted background</li> <li>• To use a range of media to create collages</li> <li>• To use different techniques, colours and textures when designing and making pieces of work</li> <li>• To use collage as a means of extending work from initial ideas.</li> </ul>	<p><b>Banksy</b></p> 
Year 6									<p><b>M C Escher</b></p>
