Dear Parents/Carers,

Date: 09.07.2026

RE: Young Voices Event and After School Rehearsals

We would like to offer your child the chance to take part in Young Voices 2027, which will take place at the Utilita Arena, Sheffield on **Monday 22nd February 2027**.

The Young Voices event is an afternoon and evening event with the children returning to school for approx 9.45pm - further details will be shared nearer the time.

You can find out more about Young Voices here: <https://www.youngvoices.co.uk/for-parents>

If your child would like to attend this event, we require him/her to attend an after school rehearsal, every Wednesday from 3.15 – 4.15pm (starting Wednesday 16th September).

The after-school club will be led by Mrs Siddall. It is essential that your child attends this club to rehearse the songs and dance moves, as the lyrics must be memorised for the event. In addition to the after-school rehearsals, children must also practise the songs at home. Access to resources will be provided, if your child is allocated a place.

The Wednesday after school rehearsal is free of charge, however regular non-attendance will result in your child losing his/her place at the Young Voices event. We will only refund the cost to parents IF we are able to find another child to take up the place.

We have a limited number of places available and therefore to secure your child's place £30 must be paid in full through ParentPay by Friday 11th September.

Please note, this cost is based on transport by coach. If we are able to source cheaper transport we will refund the difference to you.

By signing up, you are also giving permission for video and photographs to be taken of your child during the event (which will be shared on our school dojo) and for YV authorised promotional media.

Parent Tickets

You will be provided with a parent Young Voices account. This will provide you with access to purchase tickets to come and watch your child perform at the event. **please note that if you do attend, for safeguarding reasons, you will not be able to collect your child from the event. You child will travel back to school with school staff.**

Rehearsing at home

When you secure your child's place through parent pay, please provide your full name and email address, which will be used to provide access to all of the resources. We will notify you when this has been completed and you should receive an email from the YV music room to allow you to create an account to enable your child to practise at home.

Kind Regards.

Mrs Siddall

Music Coordinator
