Dear Parent / Carer

## **RE: Forest School**

During the final term we will be running Forest School on a Tuesday afternoon with the Reception class children.

Forest School is a child-centred learning process, providing learner inspired, hands-on experiences in the natural environment. It is creative and can increase a child's confidence as they problem-solve and learn to manage risks. Forest School encourages children to explore the natural environment and learn in it.

You can find out more at <https://youtu.be/5qCN0JHeR-Y>

Mrs Stanley, who is Forest School Trained, will be leading the session, which will last for approx. 1 hour.

The sessions will take place on the school grounds. Please can you send your child with a pair of old trainers / wellington boots for the session. We will keep them in your child's PE bag and send them home at the end of term.

Kind regards

Mrs Levers

Headteacher
