

Year 6 Summer 2 Term Curriculum Map Chesterfield Staycation – Local Area Study

English

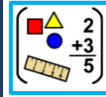

We are reading; A Monster Calls. Dracula. Travel Blogs about the local area.

We are writing; An information text, a monologue & blog

Grammar; Sentence structure, shifts in formality, using adverbial openers.

Spelling; Y6 homophones, -ent/-ence/-ency rules, statutory Y6 word list & revision.

Maths

We are following the White Rose Mastery structure. This term we will be exploring maths projects and consolidating taught skills from KS2:

- **Best Value:** Money
- **Profit and Less:** Fractions, Decimals and Percentages
- **Packaging:** 3D Shape including nets
- **Cooking Problems:** Ratio, converting measure

RE

What can be done to reduce racism and can religion help?

We will be focusing on interfaith relations, how significant religious figures have worked to tackle equality and tolerance in the UK

What's coming up this term?

Summer Show – This year's performance will be **Chitty, Chitty Bang Bang!**. We will start rehearsing next week and we will share more information in the coming weeks!

Transition Dates – The transition dates for secondary schools are as follows:

Netherthrove & Springwell: **30th June**

Bolsover: **6th July**

Details and arrangements will be sent directly to you from your child's allocated secondary school.

London Residential – A reminder that the London Residential is 5th – 7th June.

Geography

This half-term we will be comparing Greece to the UK and making links to our History learning from last half term.

PSHE

We follow the Jigsaw PSHE scheme. This half term our Jigsaw piece is **Changing Me** and we will look at the physical and emotional changes we will go through during **Puberty**.

Science

This half term our Science unit is **Light and Sight** which covers Physics and Biology. We will learn about parts of the eye and how we see things as well as experimenting with how light behaves in different mediums.

PE

In PE, we will be developing our **Athletics and Rounders** skills.

Music

We follow the Charanga scheme and our unit is **Respecting each other through composition**.

Computing

We use **Purple Mash** to deliver our Computing lessons. This half term we will be learning about Spreadsheets, Binary codes and quizzing. We will be using Google Sheets as part of our learning.

DT

This half term, we will be learning about mechanical systems by creating our own fairground.

MFL - French

In French this term, we will be learning how to describe and talk about the weather in our unit:
