Dear Parent/Carer,

As part of our Year 6 History topic on **World War II**, we have arranged a visit to the **Staveley Cenotaph** to help bring the children's learning to life and deepen their understanding of the impact of the war on local communities.

The visit will take place on **Monday 5<sup>th</sup> October** during the afternoon school session. Children will leave school at **12:30pm** and return before the end of the school day. Transport will be provided using the Trust minibus; there is **no cost** for this visit.

During the visit, pupils will have the opportunity to observe and discuss the memorial, learning about the men and women from the local area who served during wartime. This experience will support our History curriculum by helping children develop a greater understanding of remembrance, sacrifice, and the ways in which World War II affected communities both nationally and locally.

Children should come to school in their normal school uniform and bring a waterproof coat if the weather forecast suggests rain.

As this is classed as a local visit, you do not need to give consent on ParentPay. We will make contact with you if your child does not have local visit consent.

If you have any questions regarding the visit, please do not hesitate to contact school.

Thank you for your continued support.

Yours sincerely,

Kind regards,

Joel Beeden  
Assistant Headteacher
