An invite to join us for Maths! – 19th November 2026

9th November 2026

Dear Parents & Carers,

We are delighted to invite you to our Maths Morning/Afternoon on **Thursday, 19th November 2026**. We are sharing this with plenty of notice in the hope that many of you will be able to join us.

Sessions **in Reception through to Year 6** will take place from **9:15am to 10:00am,** Booking is not required. If you would like to attend, please make your way to the main school office after morning drop-off, where we will welcome you into school.

The session **in Nursery** will take place from **2pm – 2:45**. Adults attending this session should make their way to the Nursery entrance where they will be signed in on arrrival.

This will be a valuable opportunity to see how we learn maths, what our lessons look like, and what we are currently working on in class. It's also a great opportunity to take a look inside our classrooms! You will gain an insight into the approaches we use and how your child is developing their mathematical skills.

Families with children in more than one year group are very welcome to move between classrooms during the morning session.

We hope you will be able to join us and share in celebrating the children's learning.

We look forward to seeing you on the day.

Yours sincereley

Mr J Beeden
Assistant Head Teacher
