Geography

Finding out about the UK

This half term we will be exploring the 4 countries that make up the UK. We will also be locating counties and identifying the human and physical features.

PSHE

We follow the Jigsaw PSHE scheme. This half term our Jigsaw piece is **Celebrating difference** and we will be discussing how family dynamics vary. We will also be covering the subject of bullying and how to help prevent or stop bullying.

Science

This half term our Science unit is **Forces & magnets**. We will be looking at what a force is and what it does and then conduct an investigation. We will also be exploring magnets and explaining about how the poles attract or repel each other.

PE

In PE, we will be developing our **gymnastics and cricket** skills.

Music

We follow the Charanga scheme and our unit is **Glockenspiel stage 1**.

Computing

We use **Purple Mash** to deliver our Computing lessons. This half term we will be learning about spreadsheets and how to touch type.

DT

This half term we will be learning about mechanisms.

MFL - French

Our French topic this half term is 'Calendar and Celebrations' looking at days of the week and months of the year.
