15.09.2026

On 7th October, Tempest school photography company will be on site to take individual and sibling photographs.

For some of our parents this will be the first time your child has taken part in this, so we are writing to you to explain the arrangements.

As always, it is important that your child attends school in the correct school uniform. The photographer will be on site in the community room from 8.15am. If you would like your child to have a photograph with a pre-school aged sibling, you can come along with your children for this to be taken.

Please be aware that we don't have a booking system for this and therefore you may have to queue.

Once the school opens officially at 8.45am, each child will have an individual photograph taken. We will also arrange for siblings in our school to have a photograph together.

You will receive details of the photographs a few weeks later. Orders can be placed directly with the photography company and any orders will arrive before Christmas.

Kind regards

DPS
